<b>General Information</b>	<p>The Hebrew University of Jerusalem is Israel's premier university and top research institution, ranked among the world's 100 leading universities. The university encompasses six campuses, three of which are located in Jerusalem, and offers a wide array of study opportunities in the exact sciences, medicine, agriculture, humanities, social sciences, law, and more. Hebrew University remains deeply committed to its role as a leader in multidisciplinary research and stands at the forefront of cutting-edge innovation and entrepreneurship in a wide range of fields.</p> <p>The university's teaching faculty is comprised of world-renowned experts in their fields, many of whom have been recognized globally through distinguished awards and honors, including 8 Nobel Prizes, the Fields Medal, the Turing Medal, the Abel prize. The Hebrew University is an integral part of Jerusalem, one of the most fascinating and unique cities on earth. Jerusalem is home to a thriving human mosaic of Jews, Muslims and Christians, secular and religious, locals and expats from around the world</p>
<b>Administrative Structure</b>	The Rothberg International School (RIS), located on Mount Scopus campus, serves as an academic and administrative hub for numerous international programs, degrees and courses. RIS provides administrative and academic support for incoming undergraduate and graduate exchange students, including pre-arrival assistance and arrival services.
<b>Student Support and Buddy System</b>	The RIS Welcome Center offers a service package to all international students at the Hebrew University, which aims to help adjust to life on campus and in Jerusalem. The Welcome Center provides practical support throughout the experience at the Hebrew University including Security and Safety orientations, office hours, 24/7 emergency phone number, and more. Besides support services, the office provides a wide range of social and cultural extracurricular activities. The many exciting events, tours, and activities complement the academic program and allow students to see Israel from new angles.

# Exchange Program Information Sheet

	<p><b>H.U.B. (Hebrew University Buddies)</b> is a program run by the Welcome Center, whose goal is to provide an opportunity for international and local students to connect through meaningful exchange. The program will match peers from varying backgrounds to foster a more diverse and heterogenous environment across and aims to provide international exchange students with the opportunity to meet local students and experience Israel through a more authentic and informal lens.</p>
